

RANJAN SAHOO

Web Developer

About Me

I am a results-driven and innovative web developer, constantly seeking opportunities to learn and grow in this ever-evolving field. My journey began with a fascination for technology and a burning desire to leave a lasting impact on the digital landscape. From front-end development to back-end systems, I have honed my skills in various technologies to provide comprehensive and scalable solutions.

Experience

Oasis Infobyte

Duration: 1 Month (September 1, 2023 to September 30, 2023)

Position: Web Development and Design Intern

During my internship at Oasis Infobyte, I undertook three key tasks in web development and design. Through these tasks, I honed my skills in Web Development and Design and gained practical experience to design and implement user-friendly interfaces. My performance was recognized with a certificate of completion and outstanding remarks.

Projects

• NBU Health Centre

A online based Medical Management System of University of North Bengal.

Developed a University Medical Management System using HTML, CSS, JavaScript, Node.js, and Firebase to digitize healthcare services, streamlining appointment scheduling, medical records management, and real-time communication between patients, doctors, and admin.
